

FREQUENTLY ASKED QUESTIONS

Do I need to prepare one of the example recipes in this booklet? No, you may use a recipe of your own. We ask that you do share the recipe with us.

How do I package the meals? You can use a gallon size or larger ziplock freezer bag. We ask you double bag each meal. Please write the recipe name and date on the bag. You may include one other food item on the side. This may be noodles, rice, tortilla wraps, frozen veggies, etc that is added at the end of the meal or served on the side.

How many meals should I make? Our recipe examples are for 10 meals total. You may double or triple this if you would like.

CROCKPOT FREEZER MEALS

As part of our weekly outreach kid's programming, we are providing freezer meals to help address hunger and promote the formational habit of eating a family meal. Each family who is enrolled in the program is provided with a free crockpot. We deliver frozen meals in Ziplock bags for families to dump into their crockpots each week.

HERE'S HOW YOU CAN HELP!

We need **two types of volunteers** - food preparers and meal deliverers.

The **food preparers** purchase ingredients and prep the meals in freezer ziplock bags. We have funding available for our volunteers in the form of gift cards to purchase groceries and supplies up to \$250 for every 10 freezer meals.

The **meal deliverers** pick up the freezer meals from our office and deliver to the families.

To get signed up to volunteer or for more information call us at 319-377-5344, email rachael@marioncares.org, or scan this QR Code
